

We're looking for our next governor.

**Swiss Gardens
Primary School**

The best schools have the best support around them. We need skilled people to help shape the strategic leadership of Swiss Gardens and provide robust accountability — and we'd particularly love to hear from people who reflect the diversity of our community.

| What you'd be doing

School governors set the school's ethos, vision and direction; make sure money is well used; and hold the school to account for the quality of education and the safety of every child. The full body meets twice a term, with smaller working groups in between — about a half-day a month in total.

| What we'd especially welcome

Skills and experience around finance, risk, data, safeguarding, SEND, HR, marketing and communications, or health & safety — but no prior governor experience is required. Plenty of training and mentoring is available.

| What we're looking for in a person

- A desire to contribute to and represent our community
- An open and enquiring mind
- Confidence to ask questions and join in debate
- The ability to look at issues strategically and objectively
- Willingness to give your time for the greater good

Interested? Have a chat with our Chair, Mrs Sue Uff, or our Headteacher, Mrs Naomi Doble — via the school office at office@sgprimary.co.uk or [01273 453176](tel:01273453176). No experience required, no commitment from a first conversation.
